

# Actuarial Solutions

making it simple®

Joseph Nunes, President of Actuarial Solutions Inc, has practiced in defined benefit pensions, defined contribution programs and retiree health plans for 30 years. He has experience with many plan designs including single-employer, multi-employer, private sector, government, unionized, non-unionized, as well as registered and non-registered executive plans.

In addition to the revision/negotiation of benefit levels and ancillary benefits, Joe is an expert in valuations, conversion of defined benefit to defined contribution, and the wind-up of defined benefit plans. He also has significant experience in the governance of defined contribution programs. Furthermore, Joe can provide clients with expert independent advice on mergers and acquisitions, as well as matters before arbitrators and the courts.

Joe is a Fellow of the Canadian Institute of Actuaries and the Society of Actuaries who graduated from the University of Waterloo with a Bachelor of Mathematics in 1989. Joe's experience includes working at an insurance brokerage and the retirement practice at Mercer. In 1998, Joe co-founded Actuarial Solutions Inc.

Joe is a frequent contributor to the actuarial profession and actively participates in professional meetings. He also contributes to organizations outside the profession where actuarial expertise is valued. Joe's recent activities are as follows:
