

Actuarial Solutions

making it simple®

Joe Nunes, co-founder and Executive Chairman of Actuarial Solutions Inc., has practiced in the area of pensions and retiree health plans for over 30 years.

Joe has a wide range of experience including pension plan valuations, converting plans from defined benefit to defined contribution, and plan wind-ups. Joe has also supported the negotiation of changes to benefit levels and ancillary benefits and has significant experience in the governance of defined contribution programs. In addition, Joe provides clients with expert independent advice on mergers and acquisitions, as well as matters before arbitrators and the courts.

Joe is a Fellow of the Canadian Institute of Actuaries and the Society of Actuaries having graduated from the University of Waterloo with a Bachelor of Mathematics in 1989. Joe is also a graduate of the Director's Education Program at the University of Toronto's Rotman School of Management.

Joe is a frequent contributor to the actuarial profession and actively participates in professional meetings. He also contributes to other organizations where his expertise is valued. A selection of Joe's volunteer activities is provided below.
